

# YouGotItHomes.com

As a valued resident in our You Got It Homes community, we'll give you a \$100 Walmart gift certificate when you refer a friend or family member and they move into one of our communities in Kentucky, Indiana, or Ohio.

It's that easy!

## \$100 Walmart Gift Certificate

Give this form to your property manager with the name of the person you are referring, or just give it directly to a friend or family member with your name on it. Either way, as soon as they move in, you'll get your \$100 Walmart Gift Certificate.

Here's someone interested in moving to a You Got It Homes community.
